Verona by Simonton™ Product Line **Launched For West Region**

PARKERSBURG, W. VA. – Simonton Windows®, a leader in the window and door industry, has announced the introduction of Verona by Simonton™, a new line of energy-efficient vinyl windows for the West Region of the country.

Verona by Simonton windows are offered with the same enduring aspects that make Simonton an industry leader: great value, quality product, seven-business day lead time, a transferable, 10-year limited warranty and outstanding service support. Available for use in either new construction or remodeling applications, windows in the Verona by Simonton product line are available in four frame options (i.e.: block, 1" nailing fin setback, 1.375" setback and stucco flange), with a side-loading sash and a pocket sill.

Window style offerings in the new product line include: Single Hung, 2-lite and 3-lite Slider, Picture, Trapezoid, Half-round, Half-round with Leg, Quarter-round and Quarter-round with Leg. All windows come with a standard 3/4" double-strength glass package with an Intercept® warm-edge spacer system. Optional Argon fill and LoE²-272® glass are available to meet ENERGY STAR® requirements for the West Region of the country.

Homeowners can personalize Verona by Simonton windows to complement their homes by selecting flat or sculptured grid styles in either Colonial, Victorian, Queen Anne or Perimeter patterns. Vinyl frames are available in white and tan for the interior and exterior of

the windows. And, for those homeowners requiring privacy, an obscure glass option is also available.

“The durability and energy efficiency of the Verona by Simonton window means that the West Region of the country now has another great window option available from Simonton,” says Simonton West Region Marketing Manager Mark DeSimone.

Simonton Windows produces ENERGY STAR[®] qualified replacement and new construction windows and doors, including a line of impact-resistant products. Simonton ranked “Highest in Builder and Remodeler Satisfaction among Residential Window and Patio Door Manufacturers” in the J.D. Power and Associates 2008 Builder and Remodeler Residential Window and Patio Door Satisfaction StudySM. The company was ranked #1 in quality in the 2007 Brand Use Study sponsored by *Builder* magazine and has won three Best In Class Awards from Market Research Associates.

Founded in 1946, Simonton’s hallmark has been to deliver its made-to-order products in seven days or less. Part of consumer products company Fortune Brands, Inc. (NYSE: FO), Simonton has manufacturing facilities in Pennsboro, Harrisville and Ellenboro, W.Va.; Paris, Ill.; McAlester, Okla.; and Vacaville, Calif.
