

The Simonton ProFinish<sup>®</sup> Builder series is the perfect balance of value, quality and style, along with money-saving energy efficiency. Features designed to make installation easier ensure value-added performance on every job.

# Why ProFinish Builder Series? All the essentials at a great value.

- A** An integral nailing fin for quicker installation.
- B** The welded frame and sash provide increased strength and easier handling.
- C** An angled exterior provides a streamlined appearance.
- D** A 3/4" insulating glass unit and Intercept® spacer system provide increased energy efficiency.

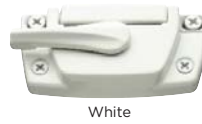

- E** Extruded vinyl resists chipping, flaking and pitting and will retain its looks with very little maintenance.
- F** Flush-mount tilt latches release the sash to tilt in for easy cleaning.
- G** An overlapping, interlocking meeting rail guards against weather infiltration.
