Nothing frames a beautiful view while providing proven, impact-resistance against wind-borne debris like StormBreaker Plus 300VL Casement and Awning windows. Offering thermal efficiency, maximum ventilation and year-round low maintenance; they’re the perfect choice for those who live near the coast.
Casement & Awning Features

Put to the Test StormBreaker Plus Patio Doors are tested and certified to meet the AAMA standards for (HVHZ) and Miami-Dade and Broward County specifications for the Florida Building Commission and meet the Texas Department of Insurance evaluation for the Texas Coast.

Storm Protection Impact-resistant KeepSafe Maximum® glass features a durable interlayer that protects the home from flying debris. During a hurricane, flying debris may break the exterior pane of glass but the laminated glass will stay intact to protect the home.

Peace and Quiet The sound-dampening plastic interlayer provides a 50% sound reduction over standard glass and reduces unwanted outside noise with a STC Rating of 35.

Safe and Secure An effective barrier against forced entry, KeepSafe Maximum glass is extremely difficult to penetrate—deterring would-be intruders.

Sun Shield By filtering up to 99% of the sun’s ultraviolet rays, KeepSafe Maximum glass reduces damage and fading to your carpet, artwork and family photographs.

Thermally Enhanced A full 1" insulating glass unit provides excellent thermal performance for year-round comfort and energy savings.

Energy-efficient StormBreaker Plus 300VL products can be ordered to meet ENERGY STAR® performance levels with Simonton’s ENERGY STAR glass packages for the Northern, North-Central, South-Central and Southern regions.

Weatherability Vinyl has excellent insulating properties and can stand up against extreme weather conditions year after year.

Built-in Strength Fusion-welded frame and sash increase weather resistance and durability, while the reinforced profiles add to the structural integrity of the window.

Full View Casement windows provide an expansive view and open a full 90 degrees* for ample fresh air and easy cleaning from inside the home.

Low Maintenance Vinyl is virtually maintenance free and will never rot, chip or flake.

Trouble-free Operation Casement and Awning windows open and close smoothly with an easy-to-operate crank handle. A stylish solid brass crank handle is also available.

Seaworthy A stainless steel, coastal hardware package is available to provide increased protection against the elements and features a streamlined nesting crank handle.

Double-Lifetime Limited Warranty Transferable, Lifetime Limited Warranty on all StormBreaker Plus windows and doors covers vinyl, hardware, screens and glass.

Grid Patterns

Grids are available in a variety of patterns and are placed between the glass to eliminate dirt accumulation and provide a smooth surface for trouble-free cleaning.
