Picture and Geometric windows from Simonton StormBreaker Plus provide impact-resistant protection for your peace of mind. They’re designed to complement the entire 300VL line of windows and doors beautifully. And because of the care-free benefits of vinyl and excellent energy efficiency – they are the right choice for every season.
Picture & Geometric Features

Put to the Test  StormBreaker Plus windows are tested and certified to meet the AAMA standards for (HVHZ) and Miami-Dade and Broward County specifications for the Florida Building Commission and meet the Texas Department of Insurance evaluation for the Texas Coast.

Storm Protection Impact-resistant KeepSafe Maximum glass features a durable interlayer that protects the home from flying debris. During a hurricane, flying debris may break the exterior pane of tempered glass but the laminated glass will stay intact to protect the home.

Peace and Quiet The sound-dampening plastic interlayer provides a 50% sound reduction over standard glass and reduces unwanted outside noise with a STC Rating of 35.

Safe and Secure An effective barrier against forced entry, KeepSafe Maximum glass is extremely difficult to penetrate—deterring would-be intruders.

Sun Shield By filtering up to 99% of the sun’s ultraviolet rays, KeepSafe Maximum glass reduces damage and fading to your carpet, artwork and family photographs.

Thermally Enhanced A full 1” insulating glass unit with Super Spacer® provides excellent thermal performance for year-round comfort and energy savings.

Energy-efficient StormBreaker Plus 300VL products can be ordered to meet ENERGY STAR® performance levels with Simonton’s ENERGY STAR glass packages for the Northern, North-Central, South-Central and Southern regions.

Weatherability Vinyl has excellent insulating properties and can stand up against extreme weather conditions year after year.

Built-in Strength Fusion-welded frame increases weather resistance and durability, while the reinforced profiles increase the structural integrity of all Picture and Geometric windows.

Low Maintenance Able to stand up against tough coastal conditions, vinyl is virtually maintenance free leaving you more time to enjoy the view.

Take Shape Maximize your home’s curb appeal and the view with a large variety of Geometric sizes and styles.

Double-Lifetime Limited Warranty Transferable, Lifetime Limited Warranty on all StormBreaker Plus windows and doors covers vinyl, hardware, screens and glass.

Keeping your home secure every day, impact-resistant glass features a strong interlayer that will remain intact, even when struck with force from wind-borne debris or an intruder.

ProSolar® Shade is an advanced spectrally selective glass that blocks damaging UV rays while allowing desirable light into the home, providing the ultimate in solar heat control, visibility and energy savings.

Grid Patterns Grids are available in a variety of patterns and are placed between the glass to eliminate dirt accumulation and provide a smooth surface for trouble-free cleaning.

Please call 1-800-SIMONTON (1-800-746-6686) to request testing information and available sizes.
