

Sliding Patio Door Collection

PREMIUM VINYL PATIO DOORS

CONTEMPORARY PATIO DOOR
FRENCH SLIDING PATIO DOOR

Impressive Inside & Out[™]

Superior Performance. Lasting Appeal.

Simonton® Sliding Patio Doors seamlessly connect your indoor and outdoor living spaces with expansive glass and smooth glide operation. Our Contemporary and French Rail Door Collections are precisely manufactured to earn the AAMA Gold Label, signifying best-in-class durability, weather resistance, and energy efficiency.

PREMIUM VINYL

Simonton vinyl is crafted with pride in the USA using high-quality raw materials for exceptional durability, thermal efficiency, and resistance to weather, insects, and decay.

COMPREHENSIVE WARRANTY

We stand behind the quality and craftsmanship of our windows and proudly offer a robust warranty covering our vinyl, hardware and glass units to ensure your total peace of mind.

TRUSTED EXPERTISE

Simonton is proud to be part of Cornerstone Building Brands, the #1 manufacturer of windows in North America. We continue to deliver on a reputation of innovation and authenticity built over 75 years in the industry.

The Perfect Style for Your Home.

Open your home to more natural light and outside views with two distinct door styles that will complement your home's architectural design. Select from a host of available options that will enhance both performance and beauty.

CONTEMPORARY PATIO DOOR

With a room-opening design, the Contemporary Patio Door fluently connects your indoor and outdoor living spaces. Its narrow frame and broad expanse of glass provide wide-open views and more natural light.

FRENCH SLIDING PATIO DOOR

Featuring a broader traditional profile, the classic appearance of the French Sliding Patio Door provides the elegant look of a hinged door with the space-saving operation of a sliding patio door.

FEATURES

- Multi-point locking system secures the door with one operation.
- Tight seal against air and water infiltration with a full integral interlock.
- Smooth, easy glide panels feature wide-set, corrosion-resistant rollers and sill. Available stainless-steel rollers offer increased durability.
- Durable double-strength, tempered glass increases safety and helps reduce unwanted sound.
- Available frame options deliver precise installation for either replacement or new home applications.

PANEL CONFIGURATIONS

Contemporary and French Patio Doors are custom-sized for your home in 2-, 3- and 4-panel configurations. Transoms and sidelites are available to expand the door for more natural light.

2-PANEL

Either the left or right panel can open.

3-PANEL

Active center panel can open left or right.

4-PANEL

Both center panels are active.

Energy Savings. Interior Comfort.

Simonton Contemporary and French Rail Patio Doors provide excellent energy performance to help reduce your heating and cooling costs and provide seasonal interior comfort. Additional glass options are available to enhance security, acoustics, privacy and fade protection.

PROSOLAR® LOW-E GLASS

Our selection of ProSolar® Low-E Glass offers specialized performance for diverse climates and seasonal variations. Select the ideal glass for your home to help reduce heating and cooling costs, block damaging ultraviolet rays and provide year-round comfort.

INTERIOR SURFACE LOW-E
Added for Warmth
& Superior Insulation

KEY

✓ – Standard + – Optional

✓ GAS FILL

Standard **Argon gas** (six times denser than air) is sealed between the glass panes to increase insulation and reduce energy loss.

SPACER SYSTEMS

Glass panes are separated by a spacer system that helps seal in functional gases and create an airtight seal.

- ✓ The standard **Intercept®** spacer system helps keep glass warm and expands and contracts for reduced seal failure.
- + The **Supercept™** spacer system utilizes a stainless steel alloy that offers increased durability and thermal efficiency.
- + The non-metallic foam **Super Spacer®** is non-conductive and reduces energy transference and unwanted noise.

✓ DOUBLE-STRENGTH GLASS

Thick, double-strength glass is break resistant and offers increased sound control.*

+ SAFETY GLASS

Heat-strengthened tempered glass is four times stronger than regular glass and safely breaks into pebbles if broken.

+ SOUND & SECURITY GLASS

Laminated glass consists of a durable interlayer sealed between two layers of glass that withstands forced entry, greatly reduces unwanted sound and deflects up to 99% of damaging ultraviolet (UV) rays that cause interior fading.

+ SOUND-ABATEMENT GLASS

If you live in a noisy area, ask about specialty glass designed to reduce unwanted noise infiltration.

+ TITLE 24

Can be ordered to meet or exceed the California Energy Commission's standards for Title 24 compliance.

+ ENERGY STAR®

Simonton offers optional glass packages that meet ENERGY STAR requirements for optimal energy performance and comfort in any climate.

*Glass strength based on Patio Door size and rating.

DECORATIVE GLASS OPTIONS

Decorative glass features unique textures that help maximize privacy while allowing in ample natural light. Tinted glass helps control solar heat gain while reducing glare and visibility into your home.

Grille Patterns

Simonton grille profiles and patterns enhance curb appeal and elevate the overall design of your patio doors. From traditional to contemporary home styles, we provide architecturally authentic selections to match any aesthetic. Grille patterns can also be customized to complement any home.

COLONIAL
Iconic style of Colonial, Cape Cod, Farmhouse or Victorian homes in multiple lite patterns.

PERIMETER & DOUBLE PERIMETER
For an open view, these patterns border the patio door in Prairie, Farmhouse and contemporary homes.

PRAIRIE & DOUBLE PRAIRIE
These patterns frame each individual door panel for Prairie, Craftsman, and modern designs.

VICTORIAN
Ideal for Victorian and Tudor-style homes or your cottage home design.

CUSTOM PATTERN*
Custom grille patterns enhance your home's design and add architectural interest.

NO GRILLE PATTERN
Provides an unobstructed view and works well with all home styles.

*Custom patterns need to be confirmed with a Simonton representative

Grille Profiles

Grilles are available in various profiles and dimensions and are color-matched to the door's interior and exterior color. Easy-care grilles are located between the panes of glass and never require dusting or cleaning.
